So all alone  
Little girl blue  
You tell me the tale  
And stand there crying  
I'm here for you  
You know that I care  
Listening to you  
Inside I'm dying  
Your heart may be breaking  
But my heart is breaking too

He doesn't care if you're all alone  
But I do  
He doesn't care if you come back home  
But I do, yes I do  
Why can't you feel it too

I'm your best friend  
A brother you say  
Hurting me so

To see your sorrow  
Knew all along  
He's not for you  
Sadness and tears  
But tomorrow  
You'll see how I need you  
And maybe you'll need me too

He doesn't care if he breaks your heart  
But I do  
He doesn't care if you fall apart  
But I do

Oh, don't throw your love away  
On someone whoe doesn't deserve it  
If you belonged to me I'd love you more each day  
I'd take you and make you believe what I say
