So all alone
Little girl blue
You tell me the tale
And stand there crying
I'm here for you
You know that I care
Listening to you
Inside I'm dying
Your heart may be breaking
But my heart is breaking too

He doesn't care if you're all alone
But I do
He doesn't care if you come back home
But I do, yes I do
Why can't you feel it too

I'm your best friend
A brother you say
Hurting me so
To see your sorrow
Knew all along
He's not for you
Sadness and tears
But tomorrow
You'll see how I need you
And maybe you'll need me too

He doesn't care if he breaks your heart
But I do
He doesn't care if you fall apart
But I do

Oh, don't throw your love away
On someone who doesn't deserve it
If you belonged to me I'd love you more each day
I'd take you and make you believe what I say
