Can't teach my old heart new tricks  
Can't make it love someone new  
Can't teach my old heart new tricks  
Keeps on beating just for you

I tell my old eyes it's spring  
They tell me it's cold and gray  
Can't teach my old eyes a thing  
Keep on cryin' night and day

Oh, why can't I forget you  
As you've forgotten me  
But something inside keeps holding on  
Not knowing that you're gone, ohh

Can't teach my old heart new tricks  
Can't make it love someone new  
Can't teach my old heart new tricks  
Keeps on beating just for you, ooh

Oh, why can't I forget you  
As you've forgotten me  
But something inside keeps holding on  
Not knowing that you're gone, ohh

Can't teach my old heart new tricks  
Can't make it love someone new  
Can't teach my old heart new tricks  
Keeps on beating just for you

Can't teach my old heart new tricks, ooh  
Can't make it love someone new  
Can't make it love someone new  
My heart it keeps on beating just for you

Can't teach my old heart new tricks, ohh  
Can't make it love someone new  
Can't make it love someone new  
My heart it keeps on beating just for you

Can't teach my old heart new tricks, ohh  
Can't make it love someone new

Can't make it love someone new  
My heart

Can't teach my old heart new tricks  
Can't make it love someone new
