Hello girl it's been a while  
guess you'll be glad to know  
that I've learn how to laugh and smile  
getting over you was slow  
they say old lovers can be good friends  
but I never thought I really see you  
I really see you again  
I go crazy  
when I look in your eyes  
I still go crazy  
no my heart just can't high  
that old feeling in side  
way deep down inside  
oh baby  
you know when I look in your eyes  
I go crazy  
you say he satsafied your mind  
tells you all of his dreams  
I know how much that means to you  
I realize that I was blind  
just when I thought I was over you  
I see your face and it just ain't true  
you know it just ain't true  
I go crazy  
when I look in your eyes  
I still go crazy  
that old flame comes alive  
it starts burning inside  
way deep down inside  
oh baby  
you know when I look in your eyes  
I still go crazy  
oh it just ain't true  
no it's just ain't true  
I go crazy  
when I look in your eyes  
I still go crazy  
that old flame comes alive  
it starts burning inside  
way deep down inside  
oh baby  
you know when I look in your eyes

I still go crazy
