

Barry Manilow "I Haven't Changed The Room"

Visit "[I Haven't Changed The Room](#)" on MotoLyrics.com

Here is the room that we shared
It's the room that you cared for
So I haven't changed the room
How did the years slip away?
I could swear you're still there
For I haven't changed the room

Now that you're gone
What am I to do?

So many fantasies
Plans that we made
That will never come true

Oh and I haven't changed all that much
And I'm sure you'd be proud
Of the way that I came through
So if you happen to be passing by
To make sure that you'd recognize it
I haven't changed the room
