I wanna be somebody's baby
I don't want a child of my own
I was the one who was always strong
And I was always the one left alone

I was the one understandin'
And lettin' the other go free
Now I wanna be somebody's baby
Let somebody worry 'bout me

Oh, no, no, no, more a shoulder to cry on
My shoulders are wet to the bone
Oh, no, no, no more a friend to rely on
I'm looking for friends of my own

No more a kindly advisor
And no more a worshiping fan
I'm younger and weaker and wiser
With a brand new strategy planned

I wanna be somebody's baby
I don't want a child of my own
I was the one who was always strong
And I was always the one left alone

I was the one understandin'
And lettin' the other go free
Now I wanna be somebody's baby
Let somebody worry 'bout me

I wanna be mothered and fathered and sistered and
brothered
It's gonna be gruesome and grand
I swear I'll keep you worried and sweatin' and busy and
bothered
You'll run around wringin' your hands

I'll call you at three in the mornin'
Wailin' my woes to the sky
I'll slip out of sight without warnin'
And return with a gleam in my eye

I wanna be somebody's baby
I don't want a child of my own
I was the one who was always strong
And I was always the one left alone

I was the one understandin'
And lettin' the other go free
Right now I wanna be somebody's baby
Let somebody worry 'bout me

I wanna be somebody's baby
I don't want, I don't want, I don't want,
[Incomprehensible]
I wanna be somebody's baby
[Incomprehensible]

I wanna be somebody's baby
[Incomprehensible]
I wanna be somebody's baby
[Incomprehensible]
