I've been alive forever  
and I wrote the very first song  
I put the words and  
the melodies together  
I am music  
And I write the songs

(chorus)  
I write the songs  
that make the whole world sing  
I write the songs  
of love and special things  
I write the songs  
that make the young girls cry  
I write the songs  
I write the songs

My home lies deep within you  
And I've got my own place in your soul  
Now when I look out through your eyes

I'm young again, even though I'm very old

(chorus)

Oh my music makes you dance  
And gives your spirit  
to take a chance  
And I wrote some rock 'n roll  
so you can move  
Music fills your heart  
Well that's a real fine  
place to start  
It's from me, it's for you  
It's from you, it's from me  
It's a world wide symphony

(chorus)

I am music, and I write the songs
