If I Can Dream  
-----Barry Manilow

There must be lights burning brighter, somewhere  
Got to be birds, flying higher in a sky more blue  
If I can dream of a better land  
Where all my brothers walk hand in hand  
Tell me why, oh why, oh why can't my dream come true  
Oh why

There will be peace, and understanding sometime  
Strong winds of promise that will blow away  
The doubt and fear  
If I can dream of a warmer sun  
Where hope is shining on everyone  
Tell me why, oh why, oh why can't that sun appear

We're caught in a cloud, with too much rain  
We're lost in a world, with too much pain  
But as long as a man, has the strength to dream  
He can redeem his soul and fly, and fly

Deep in my heart, there's a trembling question  
But I am sure that the answer's gonna come somehow  
Out there in the dark, there's a burning candle  
And if I can think, if I can talk  
If I can stand, if I can walk, if I can dream  
I'll make my dream come true

Deep in my heart, there's a trembling question  
But I am sure that the answer's gonna come somehow  
Out there in the dark, there's a burning candle  
And if I can think, if I can talk  
If I can stand, if I can walk, if I can dream  
I'll make my dream come true

Right, Right now! Right now  
Please make my dream come true  
Right now
