Baby I miss you so badly
You know that I love you madly
Can you forget all the pain
Let's try it again

I'm comin' back
So I can love you
The way I used to loved you long ago

Girl I'm comin' back
Hopin' that you'll have me
And this time I will never let you go

Seems like yesterday
It was you and me
How did it slip away?

You are a part of me
You live in the heart of me
I never stopped loving you and so

I'm comin' back
So I can love you
The way I used to loved you long ago

Girl I'm comin' back
Hopin' that you'll have me
And this time I will never let you go

If the answer's, "No"
I will understand
But it won't change my mind

You are the only one
And I am the lonely one
I'll never get over you and so

I'm comin' back
So I can love you
The way I used to loved you long ago

Girl I'm comin' back

Hopin' that you'll have me
And this time I will never let you go

Baby I miss you so badly
You know that I love you madly

I'm comin' back
(I'm comin' back)
So I can love you
(So I can love you)
The way I used to loved you long ago
(The way I used to loved you long ago)

Girl I'm comin' back
(Girl I'm comin' back)
Hopin' that you'll have me
(Hopin' that you'll have me)
And this time I will never let you go
(Baby I miss you so badly)

I'm comin' back
(I'm comin' back)
So I can love you
(So I can love you)
The way I used to loved you long ago
(The way I used to loved you long ago)

Girl I'm comin' back
(Girl I'm comin' back)
Hopin' that you'll have me
(Hopin' that you'll have me)
And this time I will never let you go
(Baby I miss you so badly)

I'm comin' back
