This is the first time on my own
this is the first time I've ever been alone like this
the silence covers wall to wall
I never knew how suddenly the night can fall
far away
I can here the city screams
drift away
I could be beside you in my dreams
CHORUS:
In another world
I could walk away
pretend there was nothing
I wouldn't need you anyway
in another world
but not in this world
I have no stronghold to defend
but still my heart is outside, beating at the door again
no promises to make or keep
and though I'm free to go
I end up chasing sleep again
drift away
wonder if you think of me
yesterday, is the place I'm going endlessly
REPEAT CHORUS
and though I realize the truth
is not idealized in you
why should I be surprised to find
that you are always on my mind
REPEAT CHORUS 2X
This is the first time on my own
