The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm?
I've got my love to keep me warm

I can't remember a worse December
Just watch those circles form
What do I care if circles form?
I've got my love to keep me warm

Off with my overcoat, off with my glove
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm?

I've got my love to keep me warm

Off with my overcoat, off with my glove
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm?
I've got my love to keep me warm

Out with the fire off with the sweater
I got a heater coultn't be better will be
So confee all through the storm
I've got my love to keep me warm
