I've had the time of my life  
No, I never felt like this before  
Yes, I swear, it's the truth  
And I owe it all to you

I've been waiting for so long  
Now I've finally found someone to stand by me  
We saw the writing on the wall  
As we felt this magical fantasy

Now with passion in our eyes  
There's no way we could disguise it secretly  
So we take each other's hand  
'Cause we seem to understand the urgency  
Just remember

You are the one  
I can't get enough of  
So I'll tell you something  
This could be love because

I've had the time of my life  
No, I never felt this way before  
Yes, I swear, it's the truth  
And I owe it all to you

With my body and soul  
I want you more than you'll ever know  
So we'll just let it go  
Don't be afraid to lose control

Yes, I know what's on your mind  
When you say, "Stay with me tonight"  
Just remember

You are the one thing  
I can't get enough of  
So I'll tell you something  
This could be love because

I've had the time of my life  
No, I never felt this way before

Yes, I swear, it's the truth  
And I owe it all to you

Because I've had the time of my life  
And I've searched through every open door  
Till I found the truth  
And I owe it all to you

I've had the time of my life
