Have your self a merry little christmas  
let your heart be light  
from now on our troubles  
will be out of sight  
have yourself a merry little christmas  
make the yule tide gay  
from now on our troubles will be miles away  
here we are as in olden days  
happy golden day of yours  
faithful friends who are dear to us  
gather near to us once more  
through the years we all will be together  
if the faiths allow  
hang a shinning star  
upond the highest bow  
and have your self a merry little christmas now  
the'll be near to us once more  
through the years we all will be together  
if the faiths allow  
hang a shinning star  
upond the highest bow  
and have your self a merry little christmas now  
a merry little christmas now
