Two A.M., two of us  
Come sunrise, I'm leavin'  
You know I must  
I can't bear the heartache  
That's in your eyes

So let's take all night to say goodbye  
You know I wanna stay  
Oh, how I wanna stay  
Let's take all night to say goodbye  
'Cause goodbye is hard to say  
Oh, so hard to say, so let's take all night

Smile for me, why don't we  
Make this the sweetest of memories  
The love that we make now  
Is all we have

So let's take all night to say goodbye  
You know I wanna stay  
Oh, how I wanna stay  
Let's take all night to say goodbye  
'Cause goodbye is hard to say  
Oh, so hard to say

Let's take each moment and every desire  
You make the coffee and I'll light the fire

And we'll take all night to say goodbye  
You know I wanna stay  
Oh, how I wanna stay  
Let's take all night to say goodbye  
'Cause goodbye is hard to say  
Oh, so hard to say

Let's take all night to say goodbye  
You know I wanna stay  
Oh, how I wanna stay  
Let's take all night to say goodbye  
'Cause goodbye is hard to say  
Oh, so hard to say

Let's take all night to say goodbye  
You know I wanna stay  
Oh, how I wanna stay  
Let's take all night to say
