Music & Lyrics by Kenny Nolan

---

Your eyes are sad eyes  
Mine are too  
It doesn't take too much to see  
What we've been through  
You lost your baby  
And me the same  
Ain't it true how love's a hurtin' game  
Could I have this dance  
May I be so bold  
It's just my arms are empty  
And the night is so cold  
Wouldn't it be fine bein' lonely together  
Wouldn't it be fine havin' a shoulder to share  
You could tell me how he broke your heart  
And I'll tell you how she broke mine  
And maybe later on I could take you home  
Now wouldn't it be sad bein' lonely all alone  
A heart that's hurtin's  
Not hard to see  
I guess he promised you the world  
Like she did me  
But dry your eyes now  
You'll be just fine  
We can drown our achin' hearts in this glass of wine  
Well I hate to say  
What's done is done  
It's just two can ease the pain  
Much better than one  
Wouldn't it be fine bein' lonely together  
Wouldn't it be fine havin' a shoulder to share  
You could tell me how he broke your heart  
And I'll tell you how she broke mine  
And maybe later on I could take you home  
Now wouldn't it be sad bein' lonely all alone  
Love  
It's such a crazy thing  
All you got to give and no regrets  
But love  
It can live again  
Stay with me tonight

I'll make it work out right  
Wouldn't it be fine bein' lonely together  
Wouldn't it be fine havin' a shoulder to share  
You could tell me how he broke your heart  
And I'll tell you how she broke mine  
And maybe later on I could take you home  
Now wouldn't it be sad bein' lonely all alone
