There you are,
Looking just the same as you did last time I touched you
And here I am,
Close to getting tangled up inside the thought of you
Do you love him
As much as I love her?
And will that love be strong
When old feelings start to stir?

Looks like we made it
Left each other on the way
To another love
Looks like we made it
Or I thought so till today
Until you were there, everywhere
And all I could taste was love the way we made it

Love's so strange
Playing hide and seek with hearts and always hurting
And we're the fools
Standing close enough to touch those burning memories

And if I hold you, for the sake of all those times
Love made us lose our minds,
Could I ever let you go?

Oh no we made it
Left each other on the way
To another love
Looks like we made it
Or I thought so till today
Until you were there, everywhere
And all I could taste was love the way we made it.
Ohhhhhh, we made it

Looks like we made it,
Left each other on the way
To another love
Looks like we made it,
Or I thought so till today
Until you were there, everywhere
And all I could taste was love the way we made it

Looks like we made it
Oh Babe, we made it
