There you are
Lookin' just the same as you did,
last time I touched you
And here I am
close to gettin tangled up
inside the thought of you

Do you love him
as much as I love her?
And will that love be strong
when old feelings start to stir?

(chorus)
Looks like we made it
Left each other on the way
to another love
Looks like we made it
Or I thought so till today
until you were there everywhere
And all I could taste was love
the way we made it

Love's so strange
Playin hide and seek with hearts

and always hurtin'
And were the fools
standing close enough to touch
those burning memories

And if I hold you
for the sake of all those times
Love made us lose our minds
Could I ever let you go?

Oh no, we made it
Left each other on the way
to another love
Looks like we made it
Or I thought so till today
until you were there everywhere
And all I could taste was love

the way we made it

Ahh, we made it

(Chorus)

Looks like we made it

Lord knows we made it
