(Bob Crewe and Kenny Nolan)

(Originally by The Four Seasons)

(Chorus:)

My eyes adored ya
Though I never laid a hand on you
My eyes adored ya
Like a million miles away from me
You couldn't see how I adored ya
So close, so close and yet so far

Carried your books from school
Playin' "make-believe you're married to me"
You were fifth-grade, I was sixth
When we came to be
Walkin' home every day over Barnegat Bridge and Bay
Till we grew into the me and you
Went our separate ways

(Chorus)

Headed for city lights
Climbed the ladder up to fortune and fame
I worked my fingers to the bone
Made myself a name
Funny I seemed to find
That no matter how the years unwind
Still I reminisce 'bout the girl I miss
And the love I left behind

(Chorus)

(My eyes adored ya)
All my life I will remember
(Though I never laid a hand on you)
How warm and tender we were way back then, whoa,
whoa, baby
(Like a million miles away from me
You couldn't see how I adored ya)
Oh, the feeling, sad regrets

(So close, so close and yet so far)
I know I won't ever forget ya, my childhood friend

(My eyes adored ya)
(Though I never laid a hand on you)
(My eyes adored ya)
(Like a million miles away from me
You couldn't see how I adored ya)

(Fade)
So close, so close and yet so far
