Naive ambition led her right into the palm of his hand
Not that she didn't know better
But she'd never been out on the streets before
Lost inhibition, she just had to know the good and the bad
So she took in a parkman and spent all the money she didn't have

No love for Jenny
She's wastin' her smile
Takin' a chance that it's all worth her while
Dancin' for strangers
Thinkin' she's grown up
Lovin' so many
But no love for Jenny

Fake independance kept her ridin' on the top of his list
Makin' some really good money
But knowin' it wouldn't last very long
A happy birthday, what a way to spend your sweet sixteen
Sayin' she's twenty but lookin' like thirty
Hey, what went wrong?

No love for Jenny
She's wastin' her smile
Takin' a chance that it's all worth her while
Dancin' for strangers
Lookin' so grown up
Lovin' so many
But no love for Jenny
