I caught you sir  
having a look at her  
as she went strolling by  
now didn't your heart go  
boom,boom,boom,boom,boom  
and didn't you sigh a sigh  
I warned you sir  
never to dream of her  
just bid such thoughts begone  
or it'll be  
boom,boom,boom,boom,boom,boom,boom  
boom,boom,boom,boom  
from then on  
for once in love with Amy  
always in love with Amy  
ever and ever fascinated by her  
sets your heart a fire to stay  
once you're kissed by Amy  
tear up your list it's Amy  
ply her with bon-bons, poetry,and flowers  
moon a million hours away  
you might be quiet the fickle hearted rover  
so care free and bold  
who loves a girl  
and later thinks it over  
and just quits cold  
but once in love with Amy  
always in love with Amy  
ever and ever sweetly you'll romance her  
trouble is the answer will be  
that Amy rather stay in love with me  
da,da,da,da,da,da,da,da,da,da  
ever and ever fascinated by her  
(Barry taks) oh I just love this song so much  
I want everybody to sing along with me
