One of these Days
One of these very ordinary days
You're gonna call my name
And I won't be there
After the days
After these very very many days

You're gonna see the light
And I won't be there

And on that day
Somehow I'll find the strength to stay away
I won't give in
I will not let myself be taken in... again
Oh no my friend

One of these days
Out of the blue you'll start remembering
And I won't care

'Cause I won't be there

Oh, and on that day
I swear I'll find the strength somehow to stay away
I won't give in
I will not let myself be taken in... again
Oh no my friend

That's what I say
That's what I tell myself... I won't give in
So try it someday
And you'll see that I won't be there
No, you know, no, I won't

these day-eeya-eeya-eeya-aaa-aays
I -- won't be there
No, no, no I won't be there...
