Pardon me miss  
but I've never done this  
with a real live girl  
what could be harmful  
in holding an armful  
of a real live girl  
pardon me if you're affectionate squeeze  
fogs up my goggles and  
buckles my knees  
I'm simply drown in the sight, and the sounds,  
and the scent and the feel  
of a real live girl  
nothing can beat getting swept off your feet  
by a real live girl  
dreams of you but don't compare with a hunk  
of a real live girl  
girl's were to girlish  
was once my belief  
whata reversal and what a relief  
I'll take the flowering hat  
and the towering hill  
and the squeal of a real live girl  
I've seen photographs and faximilies  
that have set my heart off in a whirl  
but I over look everyone in the book  
for a real live girl  
take your verneccion or romanaprrection  
ideal live girl  
go be a hold out for Helen of Troy  
I am a healthy American Boy  
and I rather gape at the dear little shape of the stir  
and the kill of a real live girl  
full time, occasional all operational girl
