Christy wants a millionaire, a miracle in the rain
Everybody's lookin' to find their heaven, and never
come back again
Well, people keep searchin' up and down, joinin' in the
latest things
And even I run around lookin' for love, waitin' for bells
to ring

Riders to the stars, we are flyin', we are fallin'
And I can see the clouds rollin' by
Riders to the stars, we are sailin', we are soarin'
And all we can do is try

We are riders to the stars
We are riders to the stars
Riders, oh riders, riders

Billy wants a fancy car, says it's just what he needs
Folks into showin', just what they're blowin', they're
followin' foolish leads
And Christy wants to find her millionaire, her miracle in
the rain
And I lift my head right up to the sun, never lookin'
down again

Riders to the stars, we are flyin', we are fallin'
And I can see the clouds rollin' by
Riders to the stars, we are sailin', we are soarin'
And all we can do is try

We are riders to the stars
We are riders to the stars
Riders, oh riders

You see, some folks have money and others survive
God knows it's not easy just bein' alive
The dreamer dreams on, and dreams never die
Long as we try, long as we try

Riders to the stars, we are flyin', we are fallin'
And I can see the clouds rollin' by
Riders to the stars, we are sailin', we are soarin'

And all we can do is try

We are riders to the stars
We are riders to the stars
Riders

You see, you see, you got to believe, got to believe
[Incomprehensible] got to reach out, reach out
You got to, got to believe, got to believe
We'll keep tryin' [Incomprehensible]

Riders
We're just riders
