"Saturday Night"

Saturday night is the loneliest night in the week
'Cause that's the night
That my sweetie and I, used to dance cheek to cheek

I don't mind Sunday night at all
'Cause that's the night friends come to call
An' Monday to Fridays go fast
An' another week is past

But Saturday night is the loneliest night in the week
I sing the song, that I sang for the memories, I usually
seek
Until I hear you at the door
Until you're in my arms once more
Saturday night is the loneliest night in the week, oh

I sing a lonely song an' everything seems wrong

You know Saturday night is the loneliest night in the
week
An' I sing a song for the memories, I usually seek
Until I hear you knocking at my door
Until you're in my arms once more
Saturday night is the loneliest night

Saturday night is the dog gone loneliest night in the
week, oh
