If ya gotta go,
Then I'll make out all right
If you wanna know
I knew it wasn't right
All the time.
We'll make out somehow
Just like we did before
Just don't turn around,
When you walk out the door
And just one time.

Say the words Say the words I love
Fill the time 'Till the time
You can't stay
Say the words Say the words I love
Fill the time 'Till the time
You can't stay.

Nothin' left to do.
It's done, there is no more
Nothin' left to say
We've said it all before?Â
Yes, I know
Wouldn't trade away
A day of what we had
I know you shouldn't stay
But, babe it wasn't bad
Before you go?Â

Say the words Say the words I love
Fill the time 'Till the time
You can't stay.
Say the words Say the words I love
Fill the time 'Till the time
You can't stay.
