Salin' can save me
or I drown evermore
but I'm on the waves
with you on the shore

never mind
one fine day
in some bar
by the harbor
I'll find you
there you'll be
as you were
corner stool
by the jukebox
waitin' for me

I can remember

sweet child
gone a mile
swayin' your head
to the crazy ragtime
sayin' "hey you got a quarter?
hey you look familiar
hey you got a quarter?
let's dance to the ragtime"

slow down
don't time fly
chased your smile
to some cold dingy attic
now memories of
a room we shared
heaven and home to me longer
and longer ago

I can remember

time's up
callin' ships all of the sounds
of a restless harbor

you said "hey you look familiar
come on you remember
hey you got a quater?
let's dance to the ragtime

sailin' has saved me
from drownin' evermore
but I'm on the waves
and you on the shore

never mind
one find day
in some bar by the harbor
I'll find you
boozy, scared
breakin' down
tellin' the bouncer be cool
'cause you're waitin' for me

like I been dreamin'

that's you
swingin' 'round
pushin' your way like
a star to the jukebox

sayin' hey ya' got a quater?
hey don't you remember?
let's dance to the ragtime!
hey ya' got a quater?

hey don't you remember?"
why must I remember?

never mind
one find day
in some bar by the harbor
I'll find you
I'll find you
I'll find you

and will dance to the ragtime
yes will dance to the ragtime
will we dance and to the ragtime
yes will dance to the ragtime
