I saw you at the Beechwood Cafe
You looked at me and
then you looked away
That was some kind
some kind of friend
you turned out to be

You said you had places
that you had to be
Now who is gonna be there for me?
That was some kind
some kind of friend
you turned out to be

(chorus)
Lady, that was some kind
some kind of friend
you turned out to be
Baby, that was some kind
some kind of friend
you turned out to be

They say that women
like you can't get enough
Got your Maserati built for two
They say that women
like you like to play with love
Is that true?
When I ran into you the other day
you smiled at me but
you had nothing to say
That was some kind
some kind of friend
you turned out to be
Tell me why'd you do
what you did to me?
Covered up your life
so I couldn't see
Now that was some kind
some kind of friend
you turned out to be

(chorus)

I never should have
let you get to me
Never should have let
you bring me down
Didn't know that I
was just some fantasy
that you found

Some kind
Some kind of friend
Some kind

(repeat 2x)

(chorus)

Some kind of friend
