Did you ever feel somethin' in the air
And you block it out, but you know it's there
Did you ever find, things about to change
I can see the signs all along my way

And I can feel that somethin's comin' up
And I don't know what it is
Somethin's comin' up
And I don't know where it's gonna take me

But there's somethin' dyin'
Somethin' bein' born

I think I'm gonna leave, I gotta get away
Maybe try Mill Valley, maybe try LA

The people I thought I loved
Well, we don't think the same
There's fury in my blood
And I can't stand it one more day

And I can feel that somethin's comin' up
And I don't know what it is
Somethin's comin' up
And I don't know where it's gonna take me

But there's somethin' dyin'
And somethin' bein' born

Somethin's comin' up
Somethin's comin' up
Somethin's comin' up
Somethin's comin' up

Somethin's comin' up
And I don't know what it is
Somethin's comin' up
And I don't know where it's gonna take me

Somethin's comin' up
And I don't know what it is
Somethin's comin' up

And I don't know where it's gonna take me

Somethin's comin' up
And I don't know what it is
