Hey down there!
Look at me now
I'm flyin' high
Here I am
Heaven knows how
Heaven knows why
Guess I'm just a lucky guy

Sweet heaven I'm in love again
Sweet heaven I'm in love again
You came along
Now what can I do?
I only want to be with you

Sweet heaven here I go again
I'm hooked from head to toe again
One minute I'm so lonely and then
Oh, sweet heaven

Hey, babe
Now that I found you
Life's a song
Say babe
Where you been hidin'?
I've been waiting so long

Sweet heaven I'm in love again
So totally in love again
I'll shout it everywhere I go
I'll sing it on the radio
I want the whole world to know
Sweet heaven I'm in love again

Sweet heaven I'm in love again
Incredibly in love again
You came along now what can I do
I only want to be with you

So happy to be hooked again
My Saturdays are booked again
One minute I'm so lonely and then
Oh sweet heaven

Hey world
Stop what you're doin'
I've got news
Say world
Stop all the presses
I've stopped singing the blues

Oh brother
I'm in love again
So totally in love again
I'll shout it everywhere I go
I'll sing in on the radio
I want the whole world to know
Sweet heaven I'm in love
Again
