No one will ever touch me more
And I only hope that in return
I might have saved the best of me for you

So many years gone
With love that was so wrong
I can't forget the way it used to be
And how you changed the taste of love for me

You were my one more chance
I never thought I'd find
You were the one romance
I've always know in my mind

No one will ever touch me more
And I only hope that in return
I might have saved the best of me for you

And we'll have no ending
If we can hold on
I think I've come this far because of you
Could be no other love but ours will do

You were my one more chance
I never thought I'd find
You were the one romance
I've always know in my mind

No one will ever touch me more
And I only hope that in return
I might have saved the best of me for you

You were my one more chance
I never thought I'd find
You were the one romance
I've always know in my mind

No one will ever touch me more
And I only hope that in return
No matter how much we have to learn
I saved the best of me for you
I saved the best of me for you
