The long and winding road that leads to your door
Will never disappear, I've seen that road before
It always leads me here, leads me to your door

The wild and windy night that the rain washed away
Has left a pool of tears crying for the day
Why leave me standing here, let me know the way

Many times I've been alone and many times I've cried
Anyway, you'll never know the many ways I've tried

But still they lead me back to the long, winding road
You left me standing here a long, long time ago
Don't leave me waiting here, lead me to your door

But still they lead me back to the long, winding road
You left me standing here a long, long time ago
Oh don't keep me waiting here, lead me to your door
