This one'll never sell  
They'll never understand  
I don't even sing it well  
I try but I just can't  
But I sing it every night and I fight to keep it in  
cause this one's for you. . . this one's for you

I've done a hundred songs  
from fantasies to lies  
But this one's so real for me  
that I'm the one that cries and sing it every night  
and I fight to hide the tears  
cause this one's for you. . .this one's for you

This one's for you wherever you are  
To say that nothing's been the same since we been  
apart  
This one's for all the love we once knew  
Like everything else I have, this one's for you

I've got it all it seems for all it means to me  
so I sing of things I miss and things that used to be  
And I wonder every night if you might just miss me too  
and I sing for you. . .I sing for you

This one's for you wherever I go  
To say the things I should have said, things that you  
should know  
This one's to say that all I can do  
is hope that you can hear me sing cause this for you  
This one's for you wherever you are  
to say that nothing's been the same since we been  
apart  
This one's for all the love we once knew  
I swear it's true  
It's all I can do  
Can't you see this one's for you  
This one's for you  
(repeat/end)
