This one will never sell  
they'll never understand  
I don't even sing it well  
I try, but I just cant  
But I sing it every night  
and I fight to keep it in  
Cause this one's for you  
This one's for you

I've done a hundred songs  
from fantasies to lies  
But this one's so real for me  
that I'm the one who cries  
But I sing it every night  
and I fight to hide the tears  
Cause this one's for you  
This one's for you

This one's for you  
wherever you are  
To say that nothing's  
been the same  
since we've been apart  
This one's for all  
the love we once knew  
Like everything else I have  
This one's for you  
Oh oh

I've got it all it seems

for all it means to me  
But I sing of things I miss  
and things that used to be  
And I wonder every night  
if you might just miss me too  
And I sing for you  
I sing for you

This one's for you  
wherever I go  
To say the things

I should have said  
things that you should know  
This one's to say  
that all I can do  
Is hope that you will  
hear me sing 'cause  
This one's for you, oh

This one's for you  
wherever you are  
To say that nothing's  
been the same  
since we've been apart  
This one's for all the  
love we once knew  
Like everything else I sing  
This one's for you, oh  
(fade out)
