Doctor my woman is comin' back home late today  
Could ya' maybe give me something?  
'A'ause the feelin' is gone  
And I must get it back right away  
Before she sees that I've been

Up, down, tryin' to get the feelin' again  
All around tryin' to get the feelin' again  
The one that made me shiver,  
Made my knees start to quiver  
Everytime she walked in

And I've looked high, low,  
Everywhere I possibly can  
But there's no tryin' to get the feelin' again  
It seemed to disappear as fast as it came

Where did it run to?  
I thought I'd done all that I could  
Just to keep the lovelight burnin'  
But whatever I've done I guess  
I just haven't done it too good  
'A'ause all that's left is yearnin'

Chorus
