What A Difference A Day Made

What a difference a day made, twenty four little hours
Brought the sun and the flowers where there used to
be rain
My yesterday was blue dear, today I'm part of you dear
My lonely nights are through dear, since you said you
were mine.

What a difference a day makes, there's a rainbow
before me.
Skies above can't be stormy, since that moment of bliss
That thrilling kiss
It's heaven when you find romance on your menu
What a difference a day made and the difference is
you.

It's heaven when you find romance on your
menu
What a difference a day made and the difference is
you.
