When I need you  
I just close my eyes  
and I'm with you  
and all that I so want to give you  
it's only a heart beat away  
when I need love  
I hold out my hands  
and I touch love  
I never knew there was so much love  
keeping me warm night and day  
miles and miles of empty space  
in between us  
a telephone can't take the place of your smile  
but you know I won't be traveling forever  
it's cold out, but hold out  
and do like I do  
when I need you  
I just close my eyes  
and I'm with you  
and all that I so want to give you  
it's only a heart beat away  
it's not easy when  
the road is your driver  
honey that's a heavy load that we bare  
but you know I won't be  
traveling a life time  
it's cold out but hold out  
and do like I do  
oh I need you  
when I need love  
I hold out my hands  
and I touch love  
I never knew there was so much love  
keeping me warm night and day  
When I need you  
I just close my eyes  
and you're right here by my side  
keeping me warm night and day  
I just hold out my hands  
I just hold out my hands  
and I'm with you  
and all that I want to give you

it's only a heart beat away  
(fade out)
