Last night I waved goodbye  
Now it seems years  
I'm back in the city  
Where nothing is clear  
But thoughts of me holding you  
Bringing us near  
And tell me

When will our eyes meet?  
When can I touch you?  
When will this strong yearning end?  
And when will I hold you again?

Time in New England  
Took me away  
To long, rocky beaches  
And you by the bay  
We started a story  
Whose end must now wait  
And tell me

When will our eyes meet?  
When can I touch you?  
When will this strong yearning end?  
And when will I hold you again?

I feel the change coming  
I feel the wind blow  
I feel brave and daring  
I feel my blood flow

With you, I could bring out  
All the love that I have  
With you, there's a heaven  
So earth ain't so bad  
And tell me

When will our eyes meet?  
When can I touch you?  
When will this strong yearning end?  
And when will I hold you . . . . again?
