Outside the sky is water color gray  
Newspaper says to look for rain today  
No one around for company  
And so I turn to memories to pass the time away

Each face that flashes back to mind  
Seems as it was untouched by time  
I can't recall quite all the names  
Each one is precious all the same

How strange to think  
How many friends  
Were lost somewhere behind

Where are they now?  
How I miss those companions  
Who walked the canyons  
Of the night by my side

Where are they now?

Like so many crazy dancers  
We live only for the answers in a song  
But that was long ago  
Where are they now?

When love was new and wonderful  
There was no word impossible  
The future we saw with our minds  
Was something of our hearts design  
Between today and yesterday  
Life came between us all

Where are they now?  
How I miss those companions  
Who walked the canyons  
Of the night by my side

Where are they now?  
Like so many crazy dancers  
We live only for the answers in a song  
But that was long ago

Where are they now?
