Autumn days

Lying on a bed of leaves

Watching clouds up through the trees

You said our love was more than time

It's colder now

The trees are bare and the nights are long

Can't get warm since you've been gone

And I can't stop singing sad songs

Where do I go from here?

Tell me where do I go from here?

Said you'd take me through the years

So where do I go from here?

Lovers plans, like falling leaves on windy days

Flutter past and they fly away

I thought I knew you all so well

And I need you now

I need to feel you in the night

I need your smile so warm and bright

I wish my mind could let you go

Where do I go from here?

Tell me where do I go from here?

You said you'd take me through the years

So where do I go from here?

Where do I go from here?

Tell me where do I go from here?

You said you'd take me through the years

So where do I go from here?

You said that you'd take me though the years

So where do I go from here?
