You make me feel so young
You make me feel so spring has sprung
And every time I see you grin
I'm such a happy individual

The moment that you speak
I wanna go and play hide-and-peek
I wanna go and bounce the moon
Just like a toy balloon

You and I are just like a couple of tots
Running across the meadow
Picking up lots of forget-me-nots

You make me feel so young
You make me feel there are songs to be sung
Bells to be rung and a wonderful fling to be flung
And even when I'm old and gray
I'm gonna feel the way I do today
'Cause you make me feel so young

You and I are just like a couple of tots
Running across the meadow
Picking up lots of forget-me-nots

'Cause you make me young
Give me songs to be sung
Feel like bells should be rung
And a wonderful fling should be flung

And even when I'm old and gray
I'm gonna feel the way I do today
'Cause you make me feel so
You make me feel so
You make me feel, I feel so young
