Everybody's here, spinnin' the bottle
Everybody dance, dance, dance
And you walk in with your new friend
Well, my friend, have I lost again?

'Cause I know pretty baby
You oughta be home with me
Yes, I know pretty woman
You oughta be home with me

Well, you can love the one you're with
But you can love the one you oughta be with
And tonight pretty baby
You oughta be home with me

You've been lookin' at me tryin' to hide it
You smile so sweet
As you dance by with your new friend

Can't you see it's killin' me?

'Cause I know pretty baby
You oughta be home with me
Yes, I know pretty woman
You oughta be home with me

Well, you can love the one you're with
But you can love the one you oughta be with
And tonight pretty baby
You oughta be home with me
You oughta be home with me, oh woman

Well, you can love the one you're with
But you can love the one you oughta be with
And tonight pretty baby
You oughta be home with me
You oughta be home with me, oh woman
