YOU'RE MY ONLY GIRL (JENNY)

WRITERS BARRY MANILOW, JOHN BETTIS, MICHAEL
MASSER

Jenny I need your love
believe what I'm saying
Jenny I need your love
you're my only girl
the only one for me
in this lonely world
you're all I'll ever need
touch me and you'll feel it
search my eyes and you will see
that your my only girl
the only one for me
Jenny I need you're love
you're my only girl
and since you've come to me
once again my heart
is starting to believe
you're every think I dreamed of
you're all the love should be
you're my only girl
the only one for me
I need your love
tonight I'll hold you close to me
and when we touch
I will never let go
feel so right
holding you close to me
felling you in my arms
being together
you're my only girl
that's what you'll always be
in this lonely world
you're all I'll ever need
now that I have found you
how could I let you leave
you're my only girl
the only one for me
I need your love
tonight I'll hold you close to me

and when we touch
I will never let you go
feel so right
holding you close to me
felling you in my arms
being together
Jenny I need you're love
believe what I'm saying
Jenny I need you're love
