Fairy tales can come true, it can happen to you  
If you're young at heart  
For it's hard you will find to be narrow of mind  
When you're young at heart

You can go to extremes with impossible schemes  
You can laugh when your dreams fall apart at the  
seams  
And life gets more exciting with each passing day  
And love is either in your heart or on its way

Don't you know that it's worth every treasure on earth  
To be young at heart?  
For as rich as you are, it's much better by far  
To be young at heart

And if you should survive to 105  
Look at all you'll derive out of being alive

And here is the best part, you have a head start  
If you are among the very young at heart

You can go to extremes with impossible schemes  
You can laugh when your dreams fall apart at the  
seams  
And life gets more exciting with each passing day  
And love is either in your heart or on its way

Don't you know that it's worth every treasure on earth  
To be young at heart?  
For as rich as you are, it's much better by far  
To be young at heart

And if you should survive to 105  
Look at all you'll derive out of being alive  
And here is the best part, you have a head start  
If you are among the very young at heart
