Jenny, I need your love
Believe what I'm saying
Jenny, I need your love

You're my only girl
The only one for me
In this lonely world
You're all I'll ever need

Touch me and you'll feel it
Search my eyes and you will see
That you're my only girl
The only one for me

Jenny, I need your love

You're my only girl
And since you've come to me
Once again my heart
Is starting to believe

You're every think I dreamed of
You're all the love should be
You're my only girl
The only one for me

I need your love
Tonight I'll hold you close to me

And when we touch
I will never let go

Feel so right
Holding you close to me
Feeling you in my arms
Being together

You're my only girl
That's what you'll always be
In this lonely world
You're all I'll ever need

Now that I have found you
How could I let you leave
You're my only girl
The only one for me

I need your love
Tonight I'll hold you close to me
And when we touch
I will never let go

Feel so right
Holding you close to me
Feeling you in my arms
Being together

Jenny, I need your love
Believe what I'm saying
Jenny, I need your love
