Jenny, I need your love  
Believe what I'm saying  
Jenny, I need your love

You're my only girl  
The only one for me  
In this lonely world  
You're all I'll ever need

Touch me and you'll feel it  
Search my eyes and you will see  
That you're my only girl  
The only one for me

Jenny, I need your love

You're my only girl  
And since you've come to me  
Once again my heart  
Is starting to believe

You're every think I dreamed of  
You're all the love should be  
You're my only girl  
The only one for me

I need your love  
Tonight I'll hold you close to me  
And when we touch  
I will never let go

Feel so right  
Holding you close to me  
Feeling you in my arms  
Being together

You're my only girl  
That's what you'll always be  
In this lonely world  
You're all I'll ever need

Now that I have found you

How could I let you leave  
You're my only girl  
The only one for me

I need your love  
Tonight I'll hold you close to me  
And when we touch  
I will never let go

Feel so right  
Holding you close to me  
Feeling you in my arms  
Being together

Jenny, I need your love  
Believe what I'm saying  
Jenny, I need your love
