Raise your head to the sound of the bell  
Throw your money in the wishing well  
Look to the stars and make a wish  
For fame, fortune, money and wealth

One by one you will soon  
Wake up to find, yeah  
A great wall in front of you

Said look at the big boys now  
Ooh, he's laughing all the way home  
He's got some big time friends  
Plenty of money to earn

Make your move it's the sign of times  
What you need could be all in your mind  
Sing it, yeah

One by one you will soon  
Wake up to find, yeah  
A great wall in front of you

Look at the big boys now  
Ooh, he's laughing all the way home  
He's got some big time friends  
Plenty of money to burn

Look at the big boys now  
Ooh, their crying  
He's lost his lunch time friends  
Plenty of loving to learn

One by one you will soon  
Wake up to find, yeah  
A great wall in front of you

Said look at the big boys now  
Ooh, he's laughing all the way home  
He's lost his big time friends  
Plenty of loving to learn  
Ooh yeah

Look at the big boys now  
Aah, he's crying  
He's lost his lunch time friends  
Plenty of loving to learn
