Too young to know
Too old to listen

You live your life inside a day dream
Your lovers pride worn like a costume
Too blind to see what you're missing

Well, if you love yourself in the morning
Loosen up your little bow tie
You know you gave me an early warning
Early warning

Wall to wall mirrors in your bathroom
You can see yourself dressing with your back turned
You love your wife 'cause she's a challenge
You love your wife 'cause she's a challenge

Well, if you love yourself in the morning
Loosen up your little bow tie
You know you gave me an early warning
Early warning

Too young to know, ha ha, yeah
Too young, too old to listen

Say if you love yourself in the morning
Loosen up your little bow tie
You know you gave me an early warning
Early warning

Say if you love yourself in the morning
Loosen up your little bow tie
You know you gave me an early warning
Early warning

You know you gave me an early warning
You know you gave me an early warning

Aah, loosen up
