Too young to know  
Too old to listen  
You live your life inside a day dream  
Your lovers pride worn like a costume  
Too blind to see what you're missing  
Well if you love yourself in the moring  
Loosen up your little bow tie  
You know you gave me an early warning  
Early warning  
Wall to wall mirrors in your bathroom  
You can see yourself dressing with your back turned  
You love your wife 'cause she's a challenge  
You love your wife 'cause she's a challenge  
Well if you love yourself in the moring  
Loosen up your little bow tie  
You know you gave me an early warning  
Early warning  
Too young to know, ha ha yeah  
Too young, too old to listen  
Say if you love yourself in the moring  
Loosen up your little bow tie  
You know you gave me an early warning  
Early warning  
Say if you love yourself in the moring  
Loosen up your little bow tie  
You know you gave me an early warning  
Early warning  
You know you gave me an early warning  
You know you gave me an early warning  
Aahh loosen up
