You could have stood a little closer
Held my hand a little tighter
Well you could have bought my little heart
At any cost baby
Could have had a part of me now
Ooh that part is lost yeah
One too many
I've had enough of that stuff from you
One too many
I'm packing up I'm through with you
One too many
I've had it bad
One too many
I've had enough of that stuff
You could have held me in your arms all night

Yes you could have rocked me off to sleep, yes you
could
Well you could have bought my little heart
At any cost baby
Could have had a part of me now
Ooh that part is lost
One too many
I've had enough of that stuff from you
One too many
I'm packing up I'm through with you
One too many
I've had it bad
One too many
I've had enough of that stuff
