[SUGAFREE]

Hey sugafree why roxy jock'n
Probly because she don't want you to know she got
caught watchin a parrot fuck a carrot of some of that

She said one time at band camp she was a rat
And sold girl scout cookies lyin flat on her back
One day i was in the middle of some sucka duckin
Got tired of throwin my hood up at this trick
Bust up like it was nothin
I met her out the blue sky, i truly neva knew why
But kept it pimpin in that ora she love me 'cause im to
fly

CHORUS:

'cause im the only kinda man that she'll eva
understand because that's what the pimpins there for
She rather deal with a mack and keep her flat on her
back because that's what the pimpins there for

SUGAFREE:

And wanna grin while she still fuckin everyone else
But she aint got no manners or self esteem
If i push the right buttons i could sell her a dream
And yall still poppin collars imma dust my kicks
While yall still go to clubs and handcuff yo bitch
